

Fountainview Rap

Yo! My name is Jane.
And I'm gonna rap.
It may cause pain,
But I'm down wit dat.

I just moved here.
My crib is cool.
But when it's clear,
I'm shillin' by the pool.

The Staff is great.
The food can't be beat.
But I need a mate.
Hey! Where's the beef?!

My walker's too large,
A cane too damn small.
My scooter? No charge.
How BIG is that mall?

Doctors, Dentists & Therapy too,
The bus is late.
What's a patient to do?

My pills make me happy.
My pills make me sad.
My pills make me lazy.
My pills make me BAD!

Poker or Bridge
I bid - four crack!
No matter the lingo,
It's partners we lack.

We're all here together.
My message complete.
No matter the weather,
We'll all beat the heat.

So make new friends,
But keep the old.
One is silver,
And the other is gold.

Peace Y'all!
